

What Does a Boys & Girls Club Offer?

Boys & Girls Clubs offer a wide variety of educational, recreational, cultural and social activities for youth. Clubs are designed to maximize opportunities for young people to acquire a sense of belonging, usefulness, influence and competence.

A typical Club has an arts and crafts area, gymnasium, library, games room and multipurpose room. Some Clubs have swimming pools, computer learning centers, camps and outdoor play areas.

All Boys & Girls Clubs are staffed by trained professionals who truly care and are vested in realizing the full potential of each young person.

WHAT IS MISSION: YOUTH OUTREACH WOUNDED WARRIOR?

The number of military service members deployed since the beginning of Global War on Terrorism (GWOT) is more than 2million. For the youth of wounded, ill & injured, the stress and anxiety caused by a parent's deployment doesn't end when the military member returns home.

Boys & Girls Clubs create opportunity by providing a positive and supportive network.

MISSION: Youth Outreach Wounded Warrior

Initiative provides No-Cost annual memberships to dependents of veterans that have served our country during the Operation Iraqi Freedom Campaign and who have been declared wounded, ill or injured.
