f) **Orientation**

Adult and teen volunteer candidates will need to complete an orientation before or on the first day of volunteering. During the orientation, volunteers will need to complete:

- a. Tour of facility or area
- b. Sign in/out protocol
- c. How to track volunteer hours
- d. Review of BGC Safety Policy and Procedures
- e. Review Mandated Reporter BGC Burbank Memo

1. Eligibility

The Boys & Girls Clubs of Burbank and GEV will not consider an applicant eligible for volunteer service, if such individual:

- Refuses to consent to a criminal background check
- Needs hours for court-ordered community service

- Makes a false statement in connection with such criminal background check
- Is registered, or is required to be registered on a State or National sex offender registry
- Has been convicted of a felony consisting of murder, child abuse, a crime against children, including child pornography, spousal abuse, a crime involving rape or sexual assault, arson or physical assault, battery
- Or has been convicted of a drug related offense committed within the last five years. In order to provide a safe environment for our staff and youth, Boys & Girls Club of America has implemented a policy that clubs are not to hire any employee with a record, which includes misdemeanors.

2. Record Keeping

Volunteers need to sign in and out on our volunteer sign-in sheet when they are at the club and report to their assigned supervisor (or person in charge) upon arrival. Keeping an accurate tally of volunteer hours is very important and is the responsibility of the volunteer.

3. Your Volunteer Commitment

A successful volunteer experience depends, in part, upon setting realistic expectations of how much time you can give. Be honest with yourself. It is better to start out with just an hour or two a week and then add to the commitment later. Honoring your commitment is very important. If you are working one-on-one with a Club Member or helping with a specific program or activity, staff and Club Members will be counting on you to be there. Volunteers will need to present a schedule they will be committing too. They will also need to notify the appropriate person in charge if they will be absent or late.

4. Your Role as a Volunteer

Club personnel, as trained professionals, have the ultimate authority regarding Clubhouse policies and procedures. They officially represent the Boys & Girls Club and are held legally accountable for matters affecting the safety and welfare of Club members. If you feel that a staff member is acting, inappropriately feel free to speak to the site Unit Director, Teen Services Coordinator, Membership Manager, or Director of Programs. However, it is always important that all volunteers respect staff decisions regarding member discipline and other Clubhouse procedures. As a volunteer, you can serve as a valuable role model by showing our Club members the proper way to handle conflict through non-aggressive actions. If you are experiencing issues with a Club member, please seek a staff member, to explain the situation, and a staff member will handle the disciplinary procedure.

Acknowledging good behavior can go a long way in motivating kids. Remember to let a youth know that you have noticed when the young person made the right decisions and acted appropriately.

Volunteers are never responsible for contacting parents, schools, medical professionals, or others on behalf of the Club unless specifically directed by appropriate Clubhouse personnel.

As a volunteer, you are expected to maintain appropriate boundaries with Club Members. Under no circumstances will volunteers have contact with any Club Member outside of approved club programs and activities. At no time will any volunteer be in a room, or any location, alone with a Club member without being in clear view of others.

PROTECT YOURSELF AND OUR CLUB MEMBERS! A Club member or his/her parents may misinterpret behavior that you perceive as harmless. Always be aware of what may or may not be considered appropriate regarding physical contact with a youth. Physical contact of any kind should not be initiated with Club members by volunteers and is generally not permitted except in emergency situations.

Volunteers are never permitted to provide transportation to Club members in their own vehicles or in Club vehicles. Volunteers are not approved as drivers for the Club in any capacity.

Your volunteer service with BGCB assumes an obligation to maintain confidentiality, even after you cease volunteering. Any violation of confidentiality seriously injures Boys & Girls Clubs' reputation and effectiveness. If you are questioned by someone outside the organization and you are concerned about the appropriateness of giving them certain information, remember that you are not required to answer, and we do not wish you to do so. Instead, as politely as possible, refer the request to your point of contact at BGC Burbank.

5. Dress Code

Volunteers are expected to wear clean clothing and dress appropriately while at the club. Pants and shorts should be properly hemmed and fit/be worn at the waistline. Girls' tops/blouses must cover any undergarments, the chest, and midriff so they remain covered even when actively participating in physical activities. Severely ripped jeans are not permitted at the Club. Items to avoid: See through tops, low cut/crop tops, short shorts, short skirts, and low-rise pants and jeans. Boys must wear pants that fit at the waist and completely cover underwear. Excessively baggy or saggy pants or shorts are not acceptable. Gang affiliated wear is not acceptable.

For safety reasons, closed-toe shoes must be worn and are required. Volunteers will not be allowed to partake in volunteer duties for the day if the dress code has been violated, no exceptions.

6. Club Closings and Changes in Hours of Operations

Please make yourself aware of flyers or posted announcements regarding any events that might excuse you from your commitment on a given day. Clubhouse personnel make their best efforts to notify or remind volunteers of any impending dates of Club closures or changes in operating hours. More information on operating hours and Club closures is available at www.BGCBurbank.org.

7. Discrimination and Harassment

The Club is committed to diversity in its volunteer program. We do not discriminate in volunteer opportunities based on military status, marital status, disability, race, ethnicity, age, color, religion, gender, national origin, sexual orientation, or political belief.

The Club intends to provide a work environment that is pleasant, healthy, comfortable, and free from intimidation, hostility or other offenses, which might interfere with work performance. Harassment of any sort - verbal, physical, visual – will not be tolerated. Harassment can take many forms. It may be, but is not limited to words, signs, jokes, pranks, intimidation, physical contact, or violence. Sexual harassment may include unwelcome sexual advances, requests for sexual favors, and other verbal or physical contact of a sexual nature when such conduct creates an intimidating environment, prevents an individual from effectively performing the duties of their position, or when such conduct is made a condition of employment or compensation, implicitly or explicitly.

As a volunteer, you contribute to keeping our work environment free of harassment. If you become aware of an incident of harassment whether by witnessing the incident or being told of it, you must report it to your site Unit Director, Teen Services Coordinator, Membership Manager or Director of Programs, or any administrator of the Club with whom you feel comfortable. When the Club becomes aware that harassment might exist, it is obligated by law to take prompt and appropriate action, whether the victim wants the organization to do so. If you feel that you have experienced harassment, report the incident immediately to your site Unit Director, Teen Services Coordinator, Membership Manager or Director of Programs, or any administrator of the Club with whom you feel comfortable. Appropriate investigation and disciplinary action will be taken.

The Club accepts no liability for harassment of one volunteer or staff member by another volunteer or staff member. The individual who makes unwelcome advances, threatens, or in any way harasses another individual is personally liable for such actions and their consequences.

8. Standards of Conduct

All volunteers must adhere to certain rules of behavior and conduct. The purpose of these rules is to be certain that you understand what conduct is necessary. When each person is aware that he or she can fully depend upon fellow workers to follow the rules of conduct, then our organization will be a better place to work for everyone.

UNACCEPTABLE ACTIVITIES

We expect everyone to always act in a mature and responsible way. However, to avoid any possible confusion, some of the more obvious unacceptable activities are below.

- Willful violation of any club rule or policy set forth in this handbook; any deliberate action that is extreme in nature and is obviously detrimental to Boys & Girls Club of Burbank and GEV efforts to operate.

9. Personal Safety and Injury

Please be aware of personal safety while volunteering at the Club. Use reasonable judgments when lifting heavy objects, operating machinery, or participating in any activity that may involve physical injury. In the event you are injured while volunteering, please report your injury immediately to your site Unit Director, Teen Services Coordinator, Membership Manager, or Director of Programs. All accidents, whether medical attention is sought at the time of injury must be documented. The Club is not responsible for personal items that are lost or stolen. Please do not bring valuables to the Clubhouses.

10. Bathroom Use

Volunteers are prohibited from using the same restroom as Club Members. If only one bathroom is at the site/facility, volunteers are not permitted to use the restroom at the same time as Members. Volunteers must ensure the main bathroom door is locked when using the restroom or place an 'occupied' sign to prevent Members from accessing the restroom while in use. If volunteering at the Main Club, volunteers are to use the bathroom in the membership lobby. If volunteering at a

school site, please ask the site Unit Director which bathroom is available for staff and volunteers. Violation of this policy will result in discipline, up to and including termination.

11. Club member accident reports

In the event a member is hurt, volunteers should report all injuries, accidents, and medical emergencies to the nearest staff member. Staff will then take appropriate action to properly document the incident and contact the necessary personnel. Only CPR/First Aid-certified employees are authorized to attend to minor injuries.

12. Policy on Reporting Child Abuse and Neglect

In accordance with the laws of the State of California, Boys & Girls Clubs of Burbank and GEV will immediately report to the proper authorities any case of suspected or confirmed child abuse or neglect. All employees of Boys & Girls Clubs of Burbank and GEV are required to immediately report to a supervisor any case of child abuse (coercion, physical, sexual, emotional, and mental) and neglect.

Any volunteer of Boys & Girls Clubs of Burbank and GEV, upon observing, hearing of, or suspecting child abuse or neglect shall make a verbal report immediately, but in no case longer than one hour, to their supervisor or to the person acting in that capacity.

Volunteering With Kids: A “Youth Development” Approach

As a new volunteer, you may have little or no experience working with children or youth. Don't worry! Our Clubs are staffed by trained professionals who will be there to give you guidance and support; however, a little bit of advanced knowledge never hurts. The following section is meant to give you the information that will help you walk through the doors of a Clubhouse for the first time, feeling confident and prepared. Of course, if you ever have any doubts about the situation, please don't hesitate to speak to a staff member.

Thank you for showing interest in volunteering at a Boys & Girls Club of Burbank and Greater East Valley. Your commitment and dedication to our youth is appreciated and can truly make a positive impact on their lives. Whether you help with homework, coach a game, or teach an art project, you'll have the opportunity to build healthy relationships with our youth. In turn, you will find that spending time with these young people has a positive impact on you as well.
