

VOLUNTEER OPPORTUNITIES

Our Mission

To inspire and enable young people to reach their full potential as productive, responsible, and caring citizens.

Join the Club and make a difference!

Serving our community for over 30 years, the Boys & Girls Club proudly supports and nurtures the potential of more than 3,900 youth each year. Our professional, dedicated, and highly trained staff ensure that young people at our Main Club and satellite sites are actively engaged in a variety of enrichment programs—all designed to help them develop a strong sense of self and build positive character.

HOW YOU CAN HELP

Our volunteer hours are Monday through Friday, 3:00–6:00 PM. During summer (June to mid-August), volunteer hours are 9:00 AM–6:00 PM. Volunteers share their talents with members through activities like cooking, dance, gardening, and more! You can help with homework, arts and crafts, STEM, games, reading, or support our admin team. Volunteers are also welcome to assist with our Deaf and Hard of Hearing program or work with teens.

GREAT FUTURES START HERE.
