

Boys and Girls Club of Burbank & Greater East Valley

Dear Parent/Guardian:

I, the parent or legal guardian for _____ hereby give my permission for my child to participate in the College Bound Program at the Boys & Girls Club of Burbank & GEV.

I fully understand that the program involves mentors, who shall be selected from the community and will be screened (including a criminal background check) and trained before beginning in the program. A mentor will be expected to spend a minimum of one hour per month with my child on-site at the Boys & Girls Club's site. The mentor is not allowed to take or meet my child beyond the Club facility.

I understand that my child will participate in an orientation session at the Club in which the program will be explained. The program is planned to last the entire school year and continuation may then be discussed.

I understand that during the course of the College Bound program there may be special group events (incorporating all mentors and youth) and family events planned. I understand that the staff of the Club will provide ongoing monitoring of the mentoring activities.

I give the Boys & Girls Club's College Bound staff permission to obtain my child's academic and attendance records from my child's school.

I permit the College Bound staff and the Boys & Girls Club of Burbank & GEV to utilize photographs of my child taken during his/her involvement in the mentoring program and waive all rights of compensation.
