

Our Mission

To inspire and enable all young people to reach their full potential as productive, responsible and caring citizens.

Join the Club and make a difference today!

Serving our community for nearly 25 years, the Boys & Girls Club supports and nourishes potential in more than 3,800 youth annually. Professional, dedicated and trained staff ensure young people at our Main Club and satellite sites are encouraged to fully participate in a variety of enrichment programs all designed to help young people experience a positive sense of self and build strong character.

How You Can Help

The Club's primary hours for volunteering with youth are Monday-Friday, 3-6pm. Summer hours (June – mid-August) are available 8am-6pm, Monday-Friday.

Volunteers share their talents with members through cooking classes, dance lessons, gardening and more!

Come help with homework, arts, athletics, STEM activities, play games, read a book, lead an enrichment program or even help out our administrative team.

Volunteers can also help with our deaf and hard of hearing program or with teen programs.

TIPS FOR A GREAT EXPERIENCE

Potential volunteers can access an application and a volunteer manual at <https://bgcburbank.org/volunteer/>

A background check must also be completed.

When you're ready to start, check in and pick up a volunteer lanyard at the membership desk or with the site Director.

Sign in and out daily and be sure to keep track of your hours.

Share your skills, talents and ideas with us!

GROUP EVENTS

Organizations are encouraged to participate as a group. The Club facilitates hands on improvement projects and activities directly involving youth.

Boys & Girls Club reserves the right to remove volunteers from the Club for any action deemed inappropriate.
