Summer Registration Is Still Open!

Summer 2020 registration for upcoming and future weeks is available. We are now in the middle of week 8 of our Summer Day Program. We are happy to announce that our enrollment continues to increase. Our operating locations are **Main Club, Bret Harte, Edison, Elmwood and Peyton Grismer (for BHC members)**. Once all three locations reach capacity, we will open our Jefferson Elementary school location. We will update you all as any new developments arise. Members have been enjoying daily fun activities in a safe and healthy environment. Please click on [parent portal](#) to register.

Fall Registration Update

Attention parents: The school year is quickly approaching! Fall 2020 registration is open now through parent portal. The registration fee is \$85 for 20/21 school year. This is a nonrefundable fee served as a deposit to hold a spot for your child to attend our program for the upcoming school year. **We encourage you to register at your earliest convenience as there will be a huge need for childcare this fall and spots will be limited. Registering now holds your spot for fall.**

Please click on [parent portal](#) to register.

Please be advised that BUSD, GUSD and LAUSD will open in a 100% distance learning model when the school year begins. We want to reassure you that we will remain open for all-day enrichment programming for this coming fall. We are working closely with our school districts and will provide updates on fees, schedules and location for the school year.

Kid's Community Dental Clinic

Last week The Kids Community Dental Clinic visited our summer sites to give our club members a crash course on proper oral hygiene. Volunteers did a 30-minute presentation with demonstrations on proper brushing techniques and how different foods impact your teeth. While visiting all 5 summer sites, members were given the opportunity to receive a preventative dental screening and fluoride treatment at no cost. The Kids' Community Dental Clinic in Burbank, CA is dedicated to improving the oral health of children from low-income families with quality procedures, preventative treatments, and oral health education.

A Special Thank You to Granite Properties

This week Granite Properties delivered a huge surprise to the club. Granite Properties is a commercial real estate investment, development and management company. Three of its properties in Burbank and Glendale got together and provided snacks for our Club members for summer. In addition, the tenants of these buildings also made a financial donation to the Club. These much needed funds will help us ensure our Club members can participate in engaging and creative programs throughout the summer. We would like to sincerely thank Granite Properties for their generosity and for answering the call to support our youth and community!

Doshi Books for Kids, Inc.

Author and Boys & Girls Club supporter Milan Doshi is giving back. Though a long time veteran in the publishing world, Milan always dreamed of starting his own nonprofit that would give back to children and emphasize the important role literature plays in childhood development. Over the past two years Milan has published two of his children's books and has founded Doshi Books for Kids, Inc., a not for profit organization that sells books where 100% of net proceeds will be donated to the Boys & Girls Club of Burbank and Greater East Valley and the Madison Square Boys & Girls Club.

We would like to give a special thank you to Milan and his family for giving back to the Boys & Girls Club of Burbank and Greater East Valley. During these unprecedented times, Milan and his family have vowed to match every dollar Doshi Books For Kids, Inc. sells and will donate to the Boys & Girls Club of Burbank and Greater East Valley and the Madison Square Boys & Girls Club. Please visit www.doshibooksforkids.com to purchase your copy of Searching for Gold or The Crink today!

Youths of the Week

Let's give a round of applause to last week's winners! Youths of the Week are chosen for their ability to follow rules, participate in daily activities, and demonstrate leadership within their pods! Our Youth of the Week winners are members that exemplify the club motto to "respect yourself, respect the club, and respect others". Congratulations to Aiden, Vincent, Jeremy, Lyric and Tessa from Main Club, Ryan and Zachary from Bret Harte, Emily from Edison, Adaleen from Elmwood, and Isabella from Peyton-Grismer!
