FALL ENRICHMENT DAY PROGRAM HAS BEGUN!

Our Fall Enrichment Program is in full swing and we have teamed up with the Burbank Unified School District to help our students adapt to virtual learning. Currently, we have five locations, Bret Harte Elementary, Stevenson Elementary, the Main Club and Peyton Grismer and Elmwood which are Burbank Housing Corporation sites, for our members to attend full day programming, which includes virtual learning and enrichment programs. These programs consist of STEM, Art, Career and College Readiness, Leadership and Outdoor Recreation Activities. We also provide supervision and technical support to members with their distance learning, and provide class/homework assistance and healthy snacks.

BACK TO SCHOOL FAIR

This weekend, the Burbank Nonprofit Coalition held their annual Back to School Fair.

Each year, the Burbank Nonprofit Coalition gives away backpacks full of school supplies to low income families to help prepare the students for a successful school year. With the help of Burbank Housing Corp., South Hills Church, the Burbank YMCA, the Boys & Girls Club of Burbank and Greater East Valley, Kids Community Dental Clinic, Burbank Temporary Aid Center and Logix Federal Credit Union, we were able to provide 500 backpacks of school supplies and important parent information to qualifying families. We would like to thank all of our community partners for throwing this wonderful event!

Michaels®

VISIT MICHAELS

School might look a little different this semester, but the Boys & Girls Club of Burbank and GEV will do whatever it takes to ensure all kids have equal access to resources in a creative and inclusive environment. This month we are teaming up with Michaels in Burbank and Glendale to help provide Art and School supplies for all club members. Visit the Michaels at the Empire Center or the Michaels in Glendale on Glendale Blvd. and purchase art supplies from the school bus fixture now through 8/29/2020 and drop them off at checkout. All donated supplies will go directly to the Boys & Girls Club of Burbank and GEV.

A VERY SPECIAL THANK YOU TO THE FIREWORK FOUNDATION!!

Last summer, Katy Perry and The FireWork Foundation held an unforgettable camp experience for our club members. Unfortunately, due to Covid-19 this summer, camp could not happen, but Katy and the Firework Foundation did not want to end the summer without reconnecting with our BGC club members.

In lieu of the summer camp experience, the Firework Foundation held a very special Grab-N-Go event at Logix Federal Credit Union last Friday. 32 club families received shoes from the Katy Perry collection, that were designed by BGC club members last summer at Camp Fire Work. In addition to shoes, members received a tablet, headsets and free ice cream. Angela and Shannon from The FireWork Foundation, and volunteers from last year's camp were all on deck to help spread the joy at this Grab-N-Go event. We would like to sincerely thank Katy, Angela, Shannon, and the entire team at The FireWork Foundation for this event and their constant support! We would also like to give a shout out to Logix Federal Credit Union for hosting the event!

KEEP ON SMILING!!!

Because all schools have moved to 100% virtual learning for Fall, the club is committed to offer **all day** programming designed to complement the course curriculum of all of our members from multiple school districts. In addition to meeting all the academic needs, we will also provide healthy meals. And, we are following all public health guidelines for cleaning, social distancing and personal protection. **WE NEED YOUR HELP!**

We need to raise \$400,000 to keep our doors open so we can continue to serve kids every day all day and be the virtual learning hub that they need.

Our Club is committed to our members and their families to do **WHATEVER IT TAKES TO BUILD GREAT FUTURES**. For many of our members, tech access, homework help and healthy meals are only provided through the Club. Please consider a donation to our Club to help us supply healthy meals, program supplies, technology and cleaning supplies.
