FALL ENRICHMENT DAY PROGRAM UPDATE!

Even though we're staying inside due to the fires, we're still powering through Week 5! With 6 sites and our ASES sites up and running, we look forward to opening more locations soon. It may be smoky outside, but inside we are staying on track with Virtual Learning and our enrichment programs. Our TK/Kinder Program at Edison is in its second week and our little ones are loving every minute!

<p>Virtual Teen Summit Saturday, October 24th</p> 	<p>The 8th Annual Teen Success Summit will be an immersive, extensive virtual experience – safely bringing Los Angeles County Alliance teens to impressive professionals and thought leaders.</p> <p>The focus for the 2020 Teen Summit is career and workforce development (Kollab), social and racial equality and the importance of giving back to your community. Teens will also have mentoring sessions during the day.</p> <p>The Teen Summit mission remains, to inspire the attending teens to plan for their future, gain useful information and tools, and plan on a lifelong pursuit of learning.</p>
<p>Midnight Oil: 3- day Virtual Career Exploration October dates: TBD</p> 	<p>Day 1: Introduction to Midnight Oil including a video of our facility showing all of the cool things we do. This introduction will provide an opportunity for the kids to learn about the different departments and to see what each of them may be interested in. Potential departments would include creative, color and retouching, our printing division, structural engineering, etc.</p> <p>Day 2: Kids will break into small groups based on what departments they are interested in where we will have Midnight Oil “experts” talk about what they do and possibly how they got into that field of work. We will allow time for the kids to ask questions and maybe even an activity of some sort. Our goal is to have 2-3 sessions on Day 2 so each student could learn about multiple departments.</p> <p>Day 3: Follow up where the students could potentially ask more questions and we can help guide them to next steps which may include an internship, etc.</p>
<p>Old Navy: This Way Ahead Program The Month of October</p> 	<p>The Way Ahead Program is a workforce readiness program that provides our teens (ages 16+) with employment opportunities. This program provides our youth with the opportunity to get a foot in the door for a first job in order to gain work experience, develop a skill set, and build a professional network. The Way Ahead Program hires for potential, not credentials and the barriers they are facing.</p> <p>Old Navy's This Way Ahead program's mission aligns with the College Bound's mission of providing all students with the resources they need to help them reach their full potential and see that a higher education and opportunity is achievable despite any financial barriers/ adversities they might have.</p>

CALLING ALL TEENS!!!

We may not be on campus or hosting Teen Nights right now, but our Teen Program is still up and running. We have some new and exciting opportunities for all new and returning teen members starting this fall. Please take a look at some of the upcoming opportunities we have in store!!

CAMP AMAZON

We did it!! This summer our camp kids at Edison Elementary entered the Camp Prime competition hosted by Boys & Girls Clubs of America and Amazon Prime. Our members created an activity for families and kids so they could have fun and stay engaged this summer, no matter where they live. Amazon Prime chose our BGC "Bug Hotel" as a Camp Prime winner!! We would like to thank Amazon Prime and the Boys & Girls Clubs of America for this amazing award and for helping us provide an amazing summer for our members!

IT'S TIME TO GIVE OUR STAFF A HIGH-FIVE!

The Boys and Girls Club of Burbank and Greater East Valley has implemented an employee appreciation program for all staff members. The High Five Staff Appreciation Program expresses appreciation for staff members going above and beyond while also expressing the Club's core values. The winners will receive a personalized \$25 VISA Gift Card and a BGCA Hat. This year we are extending the program for all parents to help nominate staff members who you believe showcase some or all of the qualities listed below.

If you experience a staff member:

- Inspiring a club member towards personal growth
- Sharing something wonderful your child shared with you
- Resolving a difficult problem
- Showing initiative - proposing and implementing new and better processes
- Promoting positivity
- Or just catch them doing something wonderful...

“High Five” them with a nomination for staff appreciation!

To nominate a staff member email Jennifer Estrada in Human Resources (jestrada@bgcburbank.org) and include the following:

*Name of the nominated staff member

*The reason for the “high five”

You can choose an anonymous nomination – please include this request in the email.

The nomination email is due by the 1st of each month. If more than 5 staff are nominated, our management team will vote on the nominees. The “high fives” will be announced on the 15th of each month. Thank you so much in advance for recognizing our employees.

THANK YOU BUFFALO WILD WINGS!!!

Thank you Buffalo Wild Wings for our new soccer uniforms!! Buffalo Wild Wings, in partnership with Boys & Girls Club of America, awarded us new uniforms for our ALL Stars program. We can't wait to rock these new uniforms when our soccer program returns this spring. We would like to thank Buffalo Wild Wings and the Boys & Girls Club of America for supporting our athletics program!!!

SAVE THE DATE!

This October in lieu of our Poker Tournament, we have decided to host our first ever Virtual Auction. Please stay tuned for more details!
