## CLUB SAFETY UPDATE

Recently, our Boys & Girls Club participated in The Boys & Girls Clubs of America's Quality Assurance Safety Pilot Initiative. The purpose of this pilot is to 1) test the new quality assurance process at 100+ locations representing a variety of site types, budget sizes and regions, 2) evaluate the safety assessment tool/process and, 3) gain acceptance from various stakeholders. "We were excited to be part of the pilot program," said Board Member Mathew Poage, also a member of the Safety Committee. He added, "The safety of our members is our first priority at the Club. It's an honor to be one of the first clubs to be working with BGCA on implementing their new and innovative safety protocols. This is an exciting opportunity to be on the forefront of a new safety movement. It's a win-win for everyone."

Some high level observations about our Club include but are not limited to:

All policies are in place and staff can articulate emergency response plan contents, are aware and can recall safety drills recently implemented

- All staff are First Aid and CPR certified
- LiveScan is being used for all background checks
- Front line staff can articulate strong Covid protocols; very stringent COVID-19 protocols are in place for all kids and adults onsite
- CEO was tremendously thorough in providing documents for review. Our Club's documentation procedures set the national standard for BGCA.
- Board and CEO leadership eager to enhance safety strategy & overall safety improvement
- planning

While we are pleased with our current evaluation, our commitment to safety is strong. This is only the beginning. We will continue to improve on our high standards by implementing more layers of protection, such as:

- Staff and Youth Councils
- Robust Training and Learning events, to continue targeted training
- Annual Background Checks, assessments and reviews
- Board led Safety Committee

## HEAD OVER TO BUFFALO WILD WINGS THIS OCTOBER

The Boys & Girls Club of Burbank and Buffalo Wild Wings are changing the game for kids and teens across the country. From October 1 through October 31, 2020, guests in participating Buffalo Wild Wings® restaurants nationwide can help support their Boys & Girls Club. Proceeds from the October Fundraiser will be donated in support of local youth sports through partners such as the Boys & Girls Clubs of America ALL STARS program. Guests will receive a coupon for a free Hatch Queso with a donation of \$5 or more. This initiative helps bring sports into the lives of kids and teens who need it most, and now, more than ever, it is imperative that youth participate in sports for both their physical and social emotional health. Guests can support their local Club by dining at the Burbank and Glendale Buffalo Wild Wings, and may add a personal donation to their guest check if desired.
