FALL ENRICHMENT DAY PROGRAM UPDATE!

This Thanksgiving we look back at the events of this year and reflect on the uncertainty we have all faced and the obstacles we have overcome. Through the trials of the past few months one thing has become abundantly clear; The Boys & Girls Club of Burbank and GEV is still here thanks to the continuous support from our donors, local community, and the families we serve. We appreciate the outpouring of support and acts of kindness we have received these past several months from all of you. We are grateful for all of our families who have stood by us and have trusted us with their children during these uncertain times. Thanks to all of you, we have been able to carry on our mission "To inspire and enable all young people to realize their full potential as productive, responsible, and caring citizens."

From the bottom of our hearts, Happy Thanksgiving!

THANK YOU SOUTHWEST AIRLINES!

Last week the Boys & Girls Club of Burbank and GEV had a special visit from our friends at Southwest Airlines! In honor of Thanksgiving, the team at Southwest Airlines held a donation supply drive to aid our All Day Enrichment program. We would like to congratulate Chad and the entire team at Southwest Airlines for throwing a successful supply drive, and we thank you all so much for your kindness and generosity!

THANKSGIVING COMMUNITY GOODIE BAGS

Members at Main Club are doing their part to spread the joy of Thanksgiving! Our pods decided to decorate and assemble little Thanksgiving goodie bags for various families throughout the community. These bags will be passed out to all of the adopted families this Thanksgiving.

THANK YOU PANDA EXPRESS!

A great big thank you to the Panda Cares Foundation for their incredible donation of more than 1000 books! That's approximately 250 books for all five of our sites currently open. The books are age appropriate for grades Kindergarten through 8th grade. The books focus on diversity and inclusion and social and emotional themes. Some of the books can be used for the Club's Summer Brain Gain reading program and other titles were selected from Panda's Cub Club reading recommendation list. In addition, our Club also received book marks and reading reward coupons for a free kid's meal for members who complete reading five books! Thanks, again!
