Spring Enrichment Day Program Update

Every day is a busy day at the Boys & Girls Club of Burbank and GEV. Our enrichment programs like STEM, College Bound, and Fine Arts are keeping our kids engaged daily once virtual learning is done for the day. Even though the new normal is not ideal, we are still making sure that after school, our members are surrounded with new and exciting activities. Every day our staff is taking the time to remind our members that their future is bright and there so many things to look forward to!

Gay Straight Alliance Meeting

GSA Meeting

What:

The Boys & Girls Club of Burbank & GEV will be hosting GSA meetings for high school members starting Tuesday, January 26th. Gay Straight Alliance (GSA) is a committee group for LGBTQ youth and its allies to join together within a safe online space to support the LGBTQ community.

When:

Meetings will be held every other Tuesday, starting January 26th from 6:30pm-7:30pm

Where:

It will be done virtually through Zoom

contact Program Director Arpineh Khodagholian for more information and to receive the zoom link for the meetings:
Arpineh@bgcburbank.org

BOYS & GIRLS CLUB

West Coast University Tele-Health Program

SPEAK WITH A HEALTHCARE PROFESSIONAL

Do you know someone who would benefit from a no-cost educational health discussion? West Coast University is now offering telehealth appointments with nursing faculty and students. Community members of all ages are welcome to call and learn more about their health concerns.

**Scan the QR codes
or call the number to
speak to a healthcare
professional!**

What is telehealth?

WCU's telehealth program provides nursing students the opportunity to learn while giving back to the community. Since telehealth is conducted over the phone, it is a great way for community members to learn about health concerns without having to visit a doctor's office.

What kind of health issues can telehealth support?

A telehealth appointment can provide you healthcare education in a variety of topics, including:

- COVID-19
- Nutrition
- First Aid
- Mental Health
- Pediatrics
- Obstetrics
- Existing Health Conditions
- Medication Administration
- Senior Health

What should I expect on a telehealth call?

Initially, you will be contacted to schedule a time for a telehealth appointment. During your appointment, a WCU nursing professor and students will contact you by phone to discuss any health concerns you might want to learn about. They might ask if they can schedule a follow-up appointment to share additional resources.

What are the benefits?

Connect with nursing professionals and students to get better educated about your health, including

Thank you Send It Society!

This week club members had a surprise visit from Elton Casteo and the team from Send It Society who made a huge donation of Send It Society t-shirts and winter gear! Elton Casteo's clothing line Send IT Society has vowed to donate one article of clothing for every item sold. This week they delivered over 2,000 items of clothing that was distributed to all of our sites. We want to sincerely thank Elton and Send It Society for their generosity and ongoing support! Please visit <https://senditsociety.com/> to check this awesome clothing line.

Give Kids Art Program

This week members at the Main Club started a 10-week virtual art program with the Give Kids Art Organization. Give Kids Art provided members with art supplies for all 10 activities. Their mission is to raise awareness to the significant value of creative expression and promotes its positive impact on social, emotional, and cognitive wellness. Give Kids Art believes that everyone deserves the opportunity to fearlessly discover, explore, and empower their innate artistic self. They aim to help participants develop stronger self-awareness, self-compassion, and creative self-care practices that they can carry through life with them to be more joyful, innovative, and emotionally-intelligent members of society.

Boys and Girls Club of Burbank on Good Day LA

In honor of this week's inauguration ceremony, Good Day LA host Michaela Periera interviewed our very own club member Safina along with a few other Boys & Girls Club members in LA County. Click on the image below!
