## Spring Enrichment Day Program Update

We're half way through February and it's busier than ever at the Boys & Girls Club of Burbank and GEV. Between virtual learning and after school activities, club members are having full and engaging days. With creative arts, athletics, and special programs at all of our sites, our members are busy all day and every day!

## Thank you to the Heights of Burbank

We would like to thank The Heights of Burbank for making Valentine's Day extra special for our members at the Main Club. Last week, senior residents of The Heights made bookmarks for our kids and donated cupcakes, cookies and juices for their Valentine's Day party. We would like to sincerely thank the residents of The Heights for their kindness and generosity on this beautiful day!

## The Substitute on Nickelodeon

Check out the most recent episode of Nickelodeon's show the Substitute which features club members from the Boys & Girls Club of Burbank and GEV! We would like to thank the crew from The Substitute for including our kids in this great opportunity and to Nickelodeon, who donated \$25,000 to the club for our participation! ## Burbank Affordable Housing Program

### BURBANK HOUSING CORPORATION AFFORDABLE HOUSING PROGRAM

#### LOWER INCOME WAITING LIST LOTTERY March 1, 2021 at 8:00am PST – March 12, 2021 at 4:00pm PST

Burbank Housing Corporation (BHC) is a nonprofit developer that owns 300+ affordable rental units in Burbank, CA. We maintain income-based waiting lists to fill all of our vacancies. The income guidelines for our program are established by the State of California for Los Angeles County.

Starting Monday, March 1, 2021 at 8:00 a.m. PST, BHC will begin accepting applications for our "Lower Income" Waiting List Lottery. Lottery applications must be submitted no later than Friday, March 12, 2021 at 4:00 p.m. PST. **All applications must be submitted online via our website: [www.burbankhousingcorp.org](http://www.burbankhousingcorp.org).**

If you are a person with a disability and require a reasonable accommodation to complete the online application, please call (818) 559-2336 or email [info@burbankhousingcorp.org](mailto:info@burbankhousingcorp.org).

Use the chart below to see if your household qualifies for the "Lower" Income:

Number of Persons	1	2	3	4	5	6	7	8
Gross Annual Income MINIMUM	\$39,451	\$45,051	\$50,701	\$56,301	\$60,851	\$63,351	\$69,851	\$74,351
Gross Annual Income MAXIMUM	\$63,100	\$72,100	\$81,100	\$90,100	\$97,350	\$104,550	\$111,750	\$118,950

Once the application process closes, eligible applicants will be entered into a lottery system and a limited number of applications will be randomly selected and placed at the bottom of our "Lower Income" Waiting List. **Please note that applying for the lottery does not guarantee you a position on our waiting list.**

It may take several months or years on our waiting list before being placed in a BHC unit. For this reason, our Affordable Housing Program is NOT a form of immediate or emergency housing.

**Due to the pandemic, our office is temporarily closed to the general public. If you wish to speak a BHC staff member, please contact our office during our normal hours of operation.**

**Burbank Housing Corporation**  
Phone: (818) 559-2336 | Fax: (818) 559-9668

## What is telehealth?

WCU's telehealth program provides nursing students the opportunity to learn while giving back to the community. Since telehealth is conducted over the phone, it is a great way for community members to learn about health concerns without having to visit a doctor's office.

## What kind of health issues can telehealth support?

A telehealth appointment can provide you healthcare education in a variety of topics, including:

- COVID-19
- Nutrition
- First Aid
- Mental Health
- Pediatrics
- Obstetrics
- Existing Health Conditions
- Medication Administration
- Senior Health

## What should I expect on a telehealth call?

Initially, you will be contacted to schedule a time for a telehealth appointment. During your appointment, a WCU nursing professor and students will contact you by phone to discuss any health concerns you might want to learn about. They might ask if they can schedule a follow-up appointment to share additional resources.

## What are the benefits?

Connect with nursing professionals and students to get better educated about your health, including learning more about COVID-19 safety.
