Spring Enrichment Day Program Update

Happy St. Patrick's Day! A lot of changes have been happening over the last few weeks, but the most exciting news to share is that we are officially moving! Next week our Main club will be closed to members (who will be at a temporary location) so staff can get everything packed and moved to our new clubhouse. It's a bittersweet week for us as we say goodbye to our faithful old clubhouse and transition into our new home. Though it's always sad to say goodbye, we cannot wait to see what the future holds for our club members at our new home in Downtown Burbank.

Youth of Year Nominee Recognition

Last week we held a virtual ceremony for our Youth of Year nominees. Derek, Jordan, Eva and Connor received official commendations from the City of Burbank, Los Angeles County, the California State Senate, and the House of Representatives, CA Legislature. Staff and club members attended this zoom event to support and cheer on our nominees. Congratulations to all of our nominees and to our winner Eva who will be representing the Boys & Girls Club of Burbank and GEV for the coming year.

CSUN's Association of Latino Professionals Tutoring Program

Last week CSUN's ALPFA started a tutoring program for our members at the Main Club. ALPFA (Association of Latino Professionals) is a business club at CSUN focused on personal and professional development. Last Wednesday they held their

focused on personal and professional development. Last Wednesday, they held their first tutoring session hosted by three CSUN ALPFA volunteers. A total of 9 club members participated in the tutoring session. Members really enjoyed the help and experience, can't wait for more tutoring sessions. A huge thank you CSUN's ALPFA!
