New Building Update

It's been three weeks since we opened our new Main Club House. Members are loving their new gymnasium, a definite perk from the old club. They can now have lunch in the courtyard, get creative in their new art studio, and stay connected in the STEM Lab. Parents are enjoying the ample parking, and the new safety features. The staff is busy planning for our first summer and we still have garden planters to fill and murals to paint! But we can honestly say we love our new, beautiful home. We can't wait to see you all at our new club house soon!

Thank you Burbank Noon Kawanis!

We want to send a HUGE thank you to Doug Chadwick and the Burbank Noon Kiwanis Club for building four beautiful new garden planters for the courtyard in at our new Main Club House. In addition to being a member of the Kiwanis Club, Doug is a master builder and we are so grateful he donated his time and expertise to this project. We treasure our partnership with the Noon Kiwanis Club and can't wait to have our Club members fill them with beautiful flowers.

Spring Enrichment Day Program Update

Spring break has come and gone and our All-Day Spring Enrichment Program is back in full swing! Our staff is working hard and making sure our members are back in class and focused on virtual learning. Though virtual learning is still our main focus, members are still looking forward to creative arts and after school sports once class is done for the day. Club members are hard at work to guarantee a strong finish for the end of the school year!
