Thank you to the Rotary Club of Burbank Noon

Last week the Boys & Girls Club of Burbank and GEV had a visit from the Rotary Club of Burbank Noon! Burbank Noon Rotarians received a tour of our New Clubhouse and then held their weekly club meeting in the new Dave & Pat Augustine Conference Room. During their visit, the Rotary Club of Burbank Noon presented us a very generous donation towards our Capital Campaign fund. We would like to sincerely thank the Rotary Club of Burbank Noon for their kindness and support for our youth.

Thank you to the Kleiner Cohen Foundation

We'd like to thank our friends at the Kleiner Cohen Foundation for once again contributing to the wide menu of programs that we offer our members. It is the continuing support of foundations like Kleiner, who understand the importance of what our club does for the youth in our community, that ensures our members have access to the best possible youth development programs we can offer. Whether it's athletic programs, STEM or creative arts, our members continue to have a positive and unique Club experience. Thank you again.

Thank you to the Los Angeles Breakfast Club

Last month the Los Angeles Breakfast Club awarded us a generous grant for our HVAC (heating, ventilation, air conditioning) needs. For over 90 years, the Los Angeles Breakfast Club has been gathering to enjoy mornings among friends. Whether making new contacts or actively supporting good works in the community, its members have come from all walks of life to share a meal and friendship. We would like to sincerely thank the Los Angeles Breakfast Club for their generosity and for answering the call to support our youth and community!

Dodgers Reading Champion Challenge

The Los Angeles Dodgers and Los Angeles Dodgers Foundation are excited to launch the 5th annual Dodgers Reading Champions Challenge as a part of LA Reads, a joint initiative to address the literacy crisis in Los Angeles by getting children excited about reading.

Parents and teachers can register students online now. Dodgers Reading Champions encourages students in Kindergarten through 8th grade to read daily and log their minutes. This challenge is open to students in Kern, Los Angeles, Orange, Riverside, San Bernardino, San Luis Obispo, Santa Barbara, Ventura Counties. Children need to track their reading minutes online with a goal to read 30 minutes per day (450–900+ minutes in any given month) in order to be recognized as a Dodgers Reading Champion. Children with 450–899 minutes have a chance to win Dodger prizes, and children with 900+ minutes have a chance to win prizes and recognition.
