Discipline

We reward and recognize positive behavior. We have a zero tolerance policy for bullying behavior. When discipline issues arise, Club staff discuss the issue with the child, ask them to engage in our problem solving strategy and then either give a timeout, ask the youth to write an apology letter, or restrict program participation as necessary. When a child has been asked several times to correct behavior that continues or their behavior has endangered the safety of other members, a child will receive a written warning that parents must sign. Continuous or major issues may result in suspensions or expulsions.
