

BOYS & GIRLS CLUB
OF BURBANK AND
GREATER EAST VALLEY

TOGETHER IS A WONDERFUL PLACE TO BE

2021-2022
ANNUAL REPORT

Dear Friends,

As we wind down 2022 and look forward to 2023, I'm reminded of the importance of community and what a vital role it plays for our Club. When we moved to our current facility, one of the many advantages of the space was that it could be shared with other organizations and companies.

Over the past year, we have worked with others to enhance our space and we've shared our gymnasium and Performing Arts Center with other organizations. We are so privileged to be part of a philanthropic community who prides itself on helping others.

Most recently, we had the Knorr company come out and help us refurbish our kitchen and the Lakers Youth Foundation also helped us re-do our basketball gymnasium. Warner Bros. Discovery was instrumental in helping us complete our Performing Arts Center. For the past two years, we've hosted adult and kids' basketball clinics in the gym in the evenings and our neighbors, the Story City Church, also use the Performing Arts Lobby for their congregation. The Lions and Zonta Clubs recently held meetings in our conference room and we've hosted several volunteer groups.

I mention this because it underlines the fact that when we work together and support one another, we all achieve success. Our ongoing partnerships with the Burbank Unified School District and the Los Angeles Unified School District, as well as the Archdioceses, remain strong and productive. In 2022, we partnered with LAUSD to program at nine elementary schools during the summer months and opened two new sites in the San Fernando Valley. We are looking forward to kicking off 2023 with another LAUSD partnership in Hollywood.

The Club remains active in the Non-profit Coalition and we have staff and board members who are Kiwanians and Rotarians.

I want to thank all of our friends, donors, supporters, foundations, board members and staff who continue to tirelessly work to ensure our Club's success. Not only during our high-profile events like our Gala, but the day in and day out general business of the Club. The ability to reach out to you, ask for advice, solve a problem, share a laugh— those are treasured moments.

Our main focus remains our members. The children and teens who we serve and love. Thank you for helping us ensure they dream big. To say we couldn't do the work we do without you is an understatement. We are grateful for all your support and look forward to next year.

2023 seems full of possibility.

Shanna Warren

2021-22 Highlights

Number of Sites:
 **29**

Hours of after-school enrichment provided across all sites:

 **26,408**

After-school Snacks Served:

The Kids That Make The Club

At the Boys & Girls Club, we see the potential in every child and teen, and are here to help them fulfill their potential so they can become who they meant to be.

Charley is in 1st grade and has been a club member since 2021. She currently attends our Van Ness Avenue Elementary school site located in Hollywood.

Charley is a can-do kid! She's got a positive attitude and loves to participate in Club activities. She is a terrific role model because she is always willing to go above and beyond and exceed all expectations. Her willingness to learn new things and her natural inquisitiveness makes her a model member.

Charley was awarded Youth of the Month for December 2022. Congratulations, Charley. We are so proud of you.

Julian is a legacy Boys & Girls Club of Burbank member. His dad, Bobby, was a member of our Club in 1995, the year the Club opened, and now Julian is following in his dad's footsteps being a member at the Burbank Club as well.

Julian's interests include UPS Road Code, a driving program, Keystone, a leadership program, and College Bound, a college prep program. When he's not busy participating in those programs, you can find him on the baseball field; he excels on his high school team, and was recently named "Offensive Player of the Year". A 10th grader, Julian is now working with the Club's Athletic Director to become a coach for the upcoming RBI program for Summer 2023. We are excited to announce that Julian is our Club's 2022 Youth of the Year. Like father, like son. Bobby was the Club's 1997 Youth of the Year. Way to go, Julian. We are so proud of you.

Vlada is one of our Deaf and Hard of Hearing members who started attending Boys & Girls Club in 2022. Vlada and her brother Lev moved to the United States from Ukraine due to the war between Russia and Ukraine.

Vlada arrived at the Club not speaking any English and still learning American Sign Language (ASL). This was a daunting challenge for Vlada, but she never gave up. The D/HH program and the children who attend made her feel welcome and that helped her navigate her way through a new country and a new language.

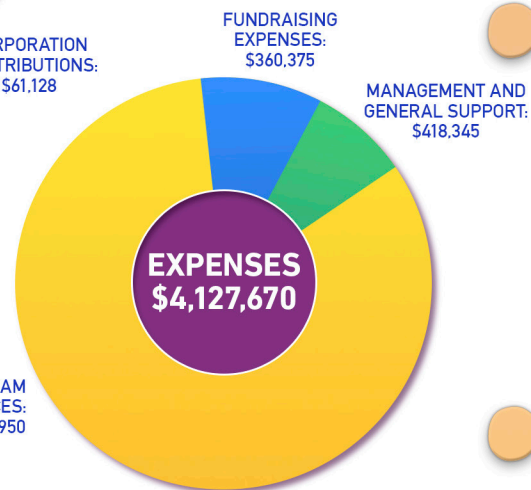

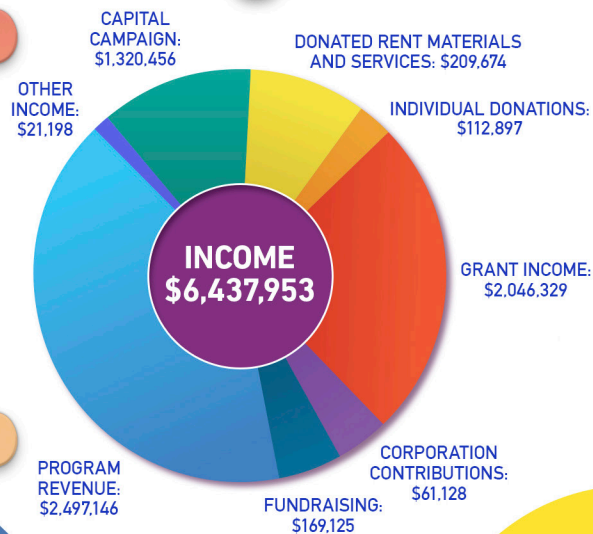

Vlada loves the arts, "The Lion King" is her favorite movie and she loves to dance. She can be found dancing around the Club with her new friends. She recently told us that orange is her favorite color. She said it makes her happy.

Vlada, you make us all happy! We're so glad you're here.

Financials

On behalf of the children who are the heart and soul of our organization, **THANK YOU.**
We couldn't do it without you.
