

Our Mission

To inspire and enable young people to reach their full potential as productive, responsible, and caring citizens.

Join the Club and make a difference today!

Serving our community for nearly 30 years, the Boys & Girls Club supports and nourishes potential in more than 3,900 youth annually. Professional, dedicated, and trained staff ensure young people at our Main Club and satellite sites are encouraged to fully participate in a variety of enrichment programs all designed to help young people experience a positive sense of self and build strong character.

How You Can Help

The Club's primary hours for volunteering with youth are Monday- Friday, 3-6pm. Summer (June – mid August) hours are available 9am-6pm, Monday – Friday.

Volunteers share their talents with members through cooking classes, dance lessons, gardening, & more!

Come help with homework, arts, athletics, STEM activities, play games, read books, lead an enrichment program, or even help out or admin team.

Volunteers can also help with our deaf and hard of hearing program or with teen programs.

TIPS FOR A GREAT EXPERIENCE

Potential volunteers can access an application and a volunteer manual at bgcburbank.org/volunteer/

A background check must also be completed.

When you're ready to start, check in and pick up a volunteer lanyard at the membership desk or with the Site Director.

Sign in and out daily and be sure to keep track of your hours.

Share your skills, talents, and ideas with us!

GROUP EVENTS

Organizations are encouraged to participate as a group. The Club facilitates hands-on improvement projects and activities directly involving youth.

Boys & Girls Club reserves the right to remove volunteers from the Club for any action deemed inappropriate.
